What it takes to be No. 1

by Vince Lombardi

You've got to pay the price.

Winning is not a sometime thing; it's an all the time thing. You don't win once in a while; you don't do things right once in a while; you do them right all the time. Winning is a habit. Unfortunately, so is losing.

There is no room for second place. There is only one place in my game, and that's first place. I have finished second twice in my time at Green Bay, and I don't ever want to finish second again. There is a second place bowl game, but it is a game for losers played by losers. It is and always has been an American zeal to be first in anything we do, and to win, and to win, and to win.

Every time a football player goes to play his trade he's got to play from the ground up-from the soles of his feet right up to his head. Every inch of him has to play. Some guys play with their heads. That's O.K. You've got to be smart to be number one in any business. But more importantly, you've got to play with your heart, with every fiber of your body. If you're lucky enough to find a guy with a lot of head and a lot of heart, he's never going to come off the field second.

Running a football team is no different than running any other kind of organization-an army, a

political party or a business. The principles are the same. The object is to win-to beat the other guy. Maybe that sounds hard or cruel. I don't think it is.

It is a reality of life that men are competitive and the most competitive games draw the most competitive men. That's why they are there-to compete. To know the rules and objectives when they get in the game. The object is to win fairly, squarely, by the rules-but to win.

And in truth, I've never known a man worth his salt who in the long run, deep down in his heart, didn't appreciate the grind, the discipline. There is something in good men that really yearns for discipline and the harsh reality of head to head combat.

I don't say these things because I believe in the "brute" nature of man or that men must be brutalized to be combative. I believe in God, and I believe in human decency. But I firmly believe that any man's finest hour, the greatest fulfillment of all that he holds dear, is that moment when he has worked his heart out in a good cause and lies exhausted on the field of battle - victorious.

September 1, 2014

Dear Friends,

Welcome to the 2014 SJR Football Journal, as our own Green Knights open the season in defense of their 2013 ranking as the #1 team in New Jersey.

When SJR concluded its 2013 campaign at Met Life Stadium, they walked off the field with a dominant 62-14 victory over Pope John for the Non-Public Group 3 State title, SJR's fifteenth state championship in the past eighteen years. Along the way, the Green Knights defeated perennial Catholic school rivals Bergen Catholic, Paramus Catholic, DePaul Catholic and St. Peter's Prep in a succession of thrilling victories.

A new era of SJR football dawns with this year's opening kick-off as new coach Augie Hoffmann takes over the program. With Coach Karcich retiring as the winningest coach in Bergen county history (338 wins and 20 state titles), this year's team looks to start the Hoffmann Era in fine fashion. The schedule opens with road games against McDonogh of Maryland and St. Edward's of Ohio, before the Green Knights take the field at Robert J. Dinallo Stadium for their home opener against St. Joe's of Philadelphia. The "regular" season includes public school powerhouses Wayne Hills and Old Tappan, along with Catholic school rivals DePaul, Paramus Catholic, Don Bosco and B.C.

As always, we look forward to the coming season with anticipation and excitement. We are very grateful for the on-going support of our parents and alumni and, in a special way, for the efforts of the SJR Touchdown Club and the great work they do year after year. Their sacrifices are many, but they are essential to the success of our program, and are truly and greatly appreciated.

To all those who read this journal, for everyone who has supported the program with an advertisement, and for all of those individuals who have made a gift of their time and talent in support of the 2014 football season, many thanks! The community of Saint Joseph Regional High School is truly grateful for your support and generosity.

Best wishes to all our student-athletes. See you at the game!

Legend of the Fall

An era of SJR history ended on Monday, December 16, 2014

Tony Karcich, who began his storied career with the Green Knights in 1985, stepped down as head football coach after 29 years, 388 wins and 20 state titles.

Karcich leaves as the winning-est coach in Bergen County history.

"Everybody wants to talk about the wins and losses," says Karcich. "They have some meaning, but when all is said and done, that's just numbers. What this is all about is molding young boys into men. It's what you've done with all these kids, the impact you've had on their lives, that matters most. That's what defines me, to do this job, you have to enjoy working with kids," said Karcich, who will remain at St. Joe's as Athletic Director. "One of the things I learned is that you never give up on a kid. They'll test you. They'll challenge you. But being a coach, in the end, is a lot like being a parent. It's all about love."

For the Green Knights of Saint Joseph Regional High School, the most important moment in its football history occurred back in February of 1985 when Brother Peter Russell, SJR's fourth principal, wooed Tony Karcich away from Wall Street and back onto the football field. And with his arrival, the history of SJR football became a tale of two eras.

"Anyone who knows me well, knows that coaching is where I belong," Coach Karcich said in 1985. "Working on Wall Street, I was always looking over my shoulder, wondering if I had made the right decision to leave coaching. I don't think a day ever went by that I didn't think about it. It's obvious that St. Joe's kids have the same kind of proud, competitive spirit I'm used to. The facilities are excellent, and Brother Peter has a great track record in his commitment to excellence. The chemistry is right, and it's obviously the place for me to be."

With those words, the Tony Karcich Era of SJR football began.

The late Eighties witnessed an unprecedented upsurge for SJR athletics as football, basketball, hockey, wrestling and baseball all emerged, at various times, as state powerhouses. In developing a winning football program, Coach Karcich also created a winning attitude here at St. Joe's, a sense of pride and an expectation for excellence that has been the foundation of our athletic program ever since.

In the twenty seasons from 1965 to 1984, the St. Joe's football program compiled an overall record of 75-97-3. In those two decades of competition, SJR teams had only seven winning seasons and two league titles. Take away those winning seasons when the team went 36-9-2, and SJR had a 39-89-1 record for the other thirteen years.

Since 1985, the team's record is an astonishing 266-56-2 (an .826 winning percentage) and includes seventeen state titles. The team has been ranked #1 in New Jersey five times, and has received five Top Twenty-Five National rankings from USA Today.

Since 1995, no team has played at the elevated heights of the Green Knights. The team has an unparalleled record of 164-30-0 over that span, and has earned fifteen state titles, including seven in a row from 1999 through 2005 and five in the past six years. The team has been nationally ranked #1 in New Jersey five times (in 1995, 1997, 1999, 2012 and 2013), and has been nationally ranked by the USA Today five times as well (1995, 1997, 1999, 2004 and 2013).

*"You have to do things the right way". Tony has never lost sight of the fact that athletics are part of an educational process by which a fourteen year old boy enters high school and leaves as an eighteen year old man. He has counseled his players constantly about "doing the right thing" in school and on the playing field, and then modeled it for them in his own approach to life. In doing so, Tony has made a real and lasting difference in the lives of the thousands of young men who have played for him, and among coaches and educators, there is truly no finer legacy than that. **Tony Karcich has been, and will forever remain, simply the best.***

Michael G. Bertolino '96 Memorial Scholarship

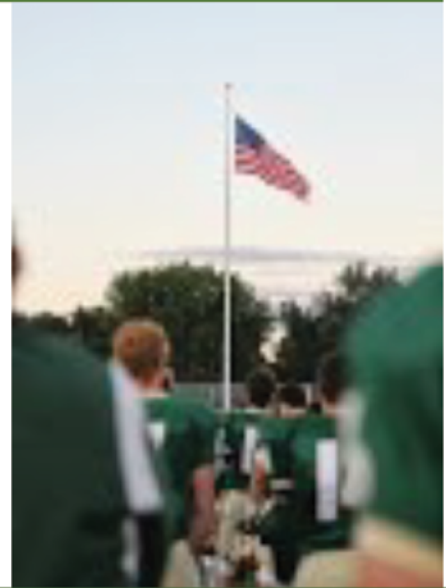

by Karyn Ochiuzzo

The Michael G. Bertolino Memorial Scholarship is awarded annually to an incoming freshman who has financial need and who has demonstrated the potential for academic excellence. He must also demonstrate the potential for participation in school activities and be of exemplary character. The Bertolino family began awarding the scholarship in 2007, in memory of their son and brother, Michael Giacomo, a graduate of the St. Joseph's Regional Class of 1996. It was awarded to 2 incoming freshman of the class of 2011 for the inaugural year and 1 student each year since. The Scholarship is a 4 year financial award made to each selected student as they enter St. Joe's and again each subsequent year they continue to attend.

For the recipient of the scholarship created in Michael's memory, The Bertolino Family and friends wish success at St. Joe's, in college, and in life. We hope that all who also wish to honor Michael's memory will consider assisting us in continuing his legacy of charity and achievement. To assist in perpetuating Michael's scholarship, please consider making a tax deductible contribution. Additional information on the scholarship can be found on the community Facebook page (Michael G. Bertolino Scholarship Fund)
